Daniel Harvey Hill was a devoutly religious man with an unrelenting disdain for Yankees. He was also one of the fiercest warriors to stride a battlefield. The West Point graduate celebrated for his extraordinary courage in the Mexican War carried that bravery into the Civil War, charging into the bloodiest conflicts with the Army of Northern Virginia and the Army of Tennessee. Yet controversy followed him, as inescapable as his shadow.

Although his sharp tongue and pen often got him into problems, many revered the polarizing figure for his unyielding spirit. Before the war, Hill shaped young minds as a professor at Davidson College. After the conflict, he left a legacy as president of the University of Arkansas and Georgia Military College. As an editor, writer, and commentator, he helped shape the Confederacy's enduring legacy.

Join the **Dan Sickles Civil War Roundtable**, with award-winning author Chris J. Hartley, for a discussion of his groundbreaking cradle-to-grave biography, as he offers a most compelling military reassessment of one of the Confederacy's most enigmatic figures.
